SPONSORSHIP EXPECTATIONS

GENERAL

This series is offered at no cost to attendees. Therefore, sponsorships are vital to our ability to offer these. Our prior event attendees and partners come from a broad range of industries, government, law enforcement, and academia that are addressing counterfeiting and brand protection and understand this. While we typically do not make attendee contact information available, the value of your sponsorship is greater. Our attendees and partners recognize our sponsors as helping the greater good in the fight against counterfeits and protecting brands.

Additionally, unlike other entities, we do not offer pay-for-speaking opportunities. Sponsorship does not guarantee a speaking role in the event. We evaluate and determine speaking opportunities separate from funding.

MARKETING MATERIALS

Sponsorship will receive specific benefits and recognition as described for the sponsorship type and tier. To ensure your recognition is maximized the Center will include pre-event sponsorship recognition within 3-5 days of receiving:

- logo, full company name, and proper pronunciation
- invoice remittance and/or remittance initiation

Recognition during and after the event will utilize the same marketing materials initially submitted.
